Apply for R&D Executive position

About Me

Hi, my name is Quang. I'm a mentor of Mindx. Now, I want to apply for R&D Executive position. In the past few months, I have had experience in teaching subjects such as: Scratch, Game Maker, Web. And I have also taught subjects at the "Advance/Intensive" level.

Previously I was an automation tester and web developer. And now I decided to choose Mindx as my next workplace. I can work full time and contribute to the company.
